Sensual Romance Galore!
December 7, 2015
Format: Kindle Edition **Verified Purchase**
I thoroughly enjoyed reading this book, but please be warned this really contains explicit materials so, just a bit shocked as this is my first erotic novel and I can say this kind of read is really different from your traditional novellas, different in a good way, I like how the author moved through different scenes and the storytelling is solid enough to get my attention for a very long time.

Recommended for you or us sensual romance readers, I give it my FIVE STARS!.

When a tangled web you weave, you get trapped within the Lies used to deceive...

Emily Guzman's "Cocky Stepbrother: A Billionaire Romance" is full of twists, turns, lies, & deceptions carefully woven together into an emotional rollercoaster. This one's sure to shock you with its unexpectedness & keep you vested in its outcome clear through until the END.

I was granted an ARC of Emily Guzman's "Cocky Stepbrother: A Billionaire Romance" via Booksprout; it's my 1st time reading Emily's work, but I'm impressed with her storytelling ability. I recommend this book to others based upon its own merits. All opinions expressed within this review are uniquely my own & freely given!

Until next time... Happy Reading!

Enjoyable read

May 11, 2018

Format: Kindle Edition

Teri's BF and best friend (and room mate) cheated on her. Recently single and moving from her apartment, she finds herself staying in her mother's guesthouse with her hot stepbrother, Carter.

I hate Carter so much. He is more than a "Cocky Stepbrother", he is a narcissistic, selfish, manipulative man whore. He is a walking STD and so gross! I was really hoping for that he gets his big comeuppance in the end.

If you don't like cheating in your books, you will probably won't like this one. They also don't mention about using protection so I'm a little alarmed by that. Too much cheating for me, I felt really bad for Teri since she seems like a really kind person.

Honestly, was hooked from the beginning and enjoyed the plot despite all my complaints. Towards the end of the book, there is a plot twist that I did not see coming at all. Enjoyed the plot and the twists and turns, definitely had me on the edge of my seat. I don't want to give any spoilers but I wish the ending was not so rushed. I wanted to read more about Teri's happy ever after ending! I'm also glad how Carter's dad got his happy ending as well.

Cocky!

May 21, 2018

Format: Audible Audiobook

I was not anticipating all the twists and turns in this story. Overall it was an interesting story with some bizarre twists and even more bizarre ending. The sparks definitely fly between Carter and Teri! This is a roller coaster ride with cheating and steam. I am not a fan of cheating books but this one was entertaining and had a lot of potential but I thought it could have been a little better flowing story. Her stepbrother was unbelievable but I am glad that Teri did get her HEA!

I voluntarily read and reviewed an advanced copy of this book.

Excellent book

May 15, 2018

Format: Kindle Edition

Her recent ex-boyfriend and her ex-roommate decided to get together and try to destroy her both ways. She then moves home with her mother into the pool house with her hot stepbrother who has a wild lifestyle. He decides to loosen her up and when they go out will guess who is where they go. Her stepbrother decides to help her hurt her ex. Well read on from there. Hot and steamy, emotional, suspenseful, exciting and so much more. I was given a review copy and voluntarily review it.

Worth Reading

May 19, 2018
Format: Kindle Edition

I enjoyed reading this story for the most part. I didn't care for the way Carter and Terri's relationship was written but I did enjoy the way the author wrapped it all up. It's worth reading. It's a quick sexy read and I look forward to reading more by this author.

I received this book in exchange for an honest review.

About the Author

Penelope Ward is a *New York Times*, *USA Today* and *Wall Street Journal* bestselling author. She grew up in Boston with five older brothers and spent most of her twenties as a television news anchor before switching to a more family-friendly career. Penelope lives for reading books in the new adult/contemporary romance genre, coffee and hanging out with her friends and family on weekends. She is the proud mother of a beautiful 11-year-old girl with autism (the inspiration for the character Callie in Gemini) and a 9-year-old boy, both of whom are the lights of her life. Penelope, her husband and kids reside in Rhode Island. She is the author of RoomHate and Stepbrother Dearest, which hit #3 on the *New York Times* bestseller list. Other works include the *New York Times* bestseller Cocky Bastard (co-written with Vi Keeland), Sins of Sevin, My Skylar, Jake Undone, Jake Understood and Gemini.

Everyone should take a "Chance" on this book!!

September 28, 2015

Format: Kindle Edition **Verified Purchase**

AH-BREE and Chance's story was amazing!! A chance encounter between a gorgeous, cocky Australian hottie and a beautiful but uptight woman who's trying to start her life over...it was a refreshing, exciting change of pace and chock full of laughs, sarcasm, adventures, and emotion.

I really loved the back and forth wit and HU-MAH between Chance and Aubrey. Chance brought out a side of Aubrey that she never showed to anyone and it was endearing how he never made her feel foolish for letting loose. The road trip they ended up on was funny and I loved experiencing their adventures with them. Esmeralda Snowflake was my favorite character of the whole book!

Part one is told from Aubrey's POV and it was interesting to see her perceptions of Chance, and get inside her head to see how she deals with the situations he puts her in all along their trip.

Part two is told from Chance's POV and Penelope and Vi did an amazing job of giving the readers the male perspective on the tough, emotional situations we find these two characters in.

Absolutely Amazing!

August 17, 2015

Format: Kindle Edition **Verified Purchase**

What a wild and crazy ride this book was! Once I picked it up, I was unable to stop reading till I reached "The End".

We meet Aubrey who is on a road trip from Chicago to California to start a new life, she never expected to meet C.B. aka Chance on her trip across the country. One flat tire, and one broken bobble head changes Aubrey's trip dramatically.

I loved the eight days that Aubrey and Chance were together during their road trip. You could instantly tell

there was a spark between Aubrey and Chance and I wanted nothing more than for these two to end up together. Chance is laid back, hilarious and pushes Aubrey outside of her comfort zone. Aubrey is stand offish at first, and guarded, but as she spends more time with Chance her fun side starts to peak out.

During the road trip Chance and Aubrey definitely create a bond, and I loved their back and forth banter, their sexual innuendo's and everything else. I was laughing out loud multiple times during this book and

Loved It!

August 16, 2015

Format: Kindle Edition **Verified Purchase**

I finished Cocky Bastard by Vi Keeland and Penelope Ward on Wednesday and I struggled with book afterglow so I couldn't read anything new yesterday. *Sigh*... it was just that good! Although I've now loaded two new books on my Kindle, the glow is still riding me pretty hard. I absolutely adored the story. It was funny. It was sweet. It was very sexy. And LAUGH OUT LOUD funny! This story contained the best of everything that you love in a romance and more. You will instantly fall in love with Chance and Aubrey....oh and Esmeralda Snowflake. Cocky Bastard was a romance gem of 2015!

Enjoyable read

September 28, 2017

Format: Kindle Edition

A fun and short read. I liked the story line and the unsuspected twists in it. The cover I did not find that it did something good for the book. A stepbrother romance that finally come out. I like both characters and that they developed and found what they wanted and showed it. A story that I would have like to be longer but it is recommendable.

I voluntarily reviewed an Advanced reader copy of this book.
